

OFFICE OF DIVERSITY AND EQUITY

Internship

Do you have a passion for addressing health inequities and stigma? Are you looking for an opportunity to use your skills in a professional setting? If so, we have the perfect job for you!

This paid internship is designed to provide work opportunities and practical learning experiences for undergraduate, graduate students, and recent graduates in order to enhance their academic learning and expose them to public service at the county level.

REQUIREMENTS:

- Currently enrolled in College/University or recently graduated
- Available to work 20 hours per week (Fridays mandatory)
- Not a current SMC employee
- Pass background check

TO APPLY & FOR MORE INFORMATION VISIT:

www.smchealth.org/bhrs/ODE

If you are interested in this position, please send your cover letter & resume to

ODE@smcgov.org

We look forward to hearing from you!
