01:17:04 Martin Fox: The California Council on Criminal Justice and

Behavioral Health Diversion and Reentry Workgroup's next combination in-person and

virtual meeting will include two presentations that recognize the continued failure

of the Lanterman-Petris-Short Act of 1967 to provide effective mental health

treatment to persons living with Serious Mental Illness who do not understand their

need to seek treatment voluntarily.

The first presentation will be given by the Department of State Hospitals and will provide Fiscal Year 2022-23 Budget Updates related to the Diversion Program and Incompetent to Stand Trial Workgroup Solutions which will be followed by a discussion on best practices for implementation at 3:25 p.m. on Friday, July 15.

Immediately following the Diversion Program and Incompetent to Stand Trial Workgroup Solutions Budget Update, the California Health and Human Services Agency's Deputy Secretary of Behavioral Health, Stephanie Welch will brief the Workgroup on the latest updates related to the passage of the

01:23:19 Chris Rasmussen: Thanks Pat!

01:28:20 Nancy Goodban: Can you please add Jim Lawrence as a panelist? He will start the FxSMC overview and I will do the slide show Thank you!

01:31:00 Yoko Ng, She / Her: Mr. Jim Lawrence, I love the Japanese art in your background.

01:40:38 Leticia ("Leti") Bidó (She/Her): @Sheila Could we pick up Q&A after both presentations?

01:46:06 Martin Fox: Good afternoon again Chair Brar and honorable Commissioners. Thank you for your service to the County. Please reject the American Civil Liberties Union surrogate's request and demand the American Civil Liberties apologize for failing to support the repeal of the Lanterman-Petris-Short Act and apologize for opposing the passage of the Governor's Community Assistance, Recovery and Empowerment Court proposal - known as his CARE Court proposal.

01:46:26 Martin Fox: The attorney who identified herself as the volunteer co-chair of the American Civil Liberties Union North Peninsula, Beth vonEmster of Belmont and another attorney who identified himself as a member of the American Civil Liberties Union Northern Peninsula, Michael Levinson from San Francisco appeared before the Board of Supervisors meeting on May 17. The American Civil Liberties Union was the principal supporter of the enabling legislation, Assembly Bill 1185. The American Civil Liberties Union attorneys were also the principal authors of the Lanterman-Petris-Short Act of 1967 and have formed the principal opposition to the Governor's CARE Court proposal. Using a local organization to hide the true sponsor of this proposal is typical of an organization knows it needs to hide its identity because of its well deserved reputation of betraying truly American values.

01:46:42 Martin Fox: Parents of adult children living with Serious mental Illness who are treatment resistant and live in Hillsborough or Atherton can do what parents of adult children living with Serious Mental Illness who are treatment resistant and live elsewhere, like me, cannot do, take their mentally ill loved ones to another state, like Utah, to get them the effective mental health treatment they need and escape California's Lanterman-Petris-Short Act that criminalizes persons

living with Serious Mental Illness if it doesn't seriously injure or kill them first.

01:46:58 Martin Fox: Please reject the American Civil Liberties Union surrogate's request and demand the American Civil Liberties apologize for failing to support the repeal of the Lanterman-Petris-Short Act and apologize for opposing the passage of the Governor's CARE Court proposal.

01:50:05 Martin Fox: San Mateo County is one of California's charter counties. The California Supreme Court held that California charter counties have always had the power to appoint oversight committees. *Dibbbs v. County of San Diego* (1994). Consequently AB1185 makes no difference in San Mateo County.

01:54:28 Martin Fox: Santa Clara County has a so-called Oversight Committee and Inspector General. It was so ineffective in investigating its Sheriff's Office, the Santa Clara County Board of Supervisors referred the investigation of Sheriff Smith's office to the Civil Grand Jury.

02:00:44 Martin Fox: The Santa Clara County's Civil Grand Jury's civil indictment seeking removal of Sheriff Smith will be tried in San Mateo County Superior Court in Redwood City starting on September 27.

02:08:24 Maureen: are you going to be taking public comment on this before you vote.

02:09:31 Mike: The creation of Civilian OverSight Board (COB) should be decided by the voters! Government Code Section 25303.7.(a)(1) allows for that.

02:10:38 Mike: I AGREE with Maureen. Well said!
