Hauler Name: \_\_\_\_\_ Date: \_\_\_\_\_

### OPERATOR QUALIFICATIONS

**Brief description of qualifications of experience:**

**Section 17333 Operator Qualifications**

When a city, county, or special district authorizes or designates a person or firm to provide solid waste collection services within the territory under its jurisdiction through contract, franchise, permit, or license the local government shall obtain proof that such person or firm has adequate financial resources and experience to properly conduct the operation authorized.

**NATURE AND SOURCE OF SOLID WASTE**

Point of generation: \_\_\_\_\_

Average amount of material conveyed weekly: \_\_\_\_\_

**CONVEYANCE EQUIPMENT**

Indicate the conveyance equipment used:

Front loader  Rear loader  Box  Compactor  Transfer trailer  Other \_\_\_\_\_

Brief description of the conveyance equipment:

**Section 17341. Equipment Construction**

All equipment used for the collection and/or transportation of solid waste shall be durable, easily cleanable and designed for safe handling, and constructed to prevent loss of wastes from the equipment during collection or transportation. If such equipment is used to collect or transport garbage, other wet or liquid producing wastes, or wastes composed of fine particles, such equipment shall in all cases be non-absorbent and leak resistant. All equipment shall be maintained in good condition and cleaned in a frequency and in a manner so as to prevent the propagation or attraction of flies, rodents, or other vectors and the creation of nuisances.

**Section 17344. Identification of Operator**

Each vehicle or container box used for the collection and transport of refuse shall be clearly marked with the name of the agency or firm operating the vehicle and a specific identification number for each box container or truck.

**Section 17343. Equipment Parking Location**

A refuse collection service operator must designate an off-street location where all refuse collection vehicles will be parked when not in service, except in an emergency.

I hereby certify under penalty of perjury that all statements made in the application and information provided is true and correct. I authorize investigation of all matters contained in this application. I agree to operate in accordance with all applicable state and local regulations pertaining to handling, transport, and disposal of solid wastes, and agree to update San Mateo County of any changes in a timely manner and verify when requested.
