LMS Trainings Posted **Effective Now**

This March, QM kicked off the CalAIM training series early for our contractors. The two trainings have been posted in LMS and can now be viewed by contractor staff who missed these trainings. **Please check your email for the links!** The two trainings are Service Codes and Progress Notes. But don't worry BHRM staff, the upcoming BHRM CalAIM training series will include Service Code and Progress Notes training too!

CANS Re-Certification **Effective Now**

You may have received an email from QM asking you to please renew your CANS certification. As a reminder, a CANS assessment is a tool that is utilized to assess acuity and level of care for our youth and young adults. In addition, it's also a state requirement in which we need to comply with. We ask that you please take the time to renew your CANS certification. If you have questions or need help, please feel free to reach out to QM. We're here to help!

CalAIM Trainings **Save the Date!**

CalAIM trainings are upon us! Save the date for June 20, 2024, for training on our newly updated Documentation Manual (for Mental Health only). This new guide entails all new CalAIM documentation updates right at your fingertips! After this, QM will have trainings monthly, on the 3rd Thursday, from 10:30 to 12pm with topics like Access and Medical Necessity, Assessments, and Progress Notes – to name a few. We look forward to seeing you there!

CalAIM Corner **Coming Soon!**

BHRM Staff and Contract Agencies should keep an eye out for the CalAIM Corner email from sanmateocounty@service.govdelivery.com for the latest re: CalAIM and CalAIM trainings, as well as the upcoming Screening Tool pilot and other updates! BHRM staff can also check out the [CalAIM Resource Hub](#) on the BHRM Intranet for past editions and additional resources.
