

# Available Trainings

## Core CalAIM Trainings

- ✓ Documentation Manual Training (MH)
- ✓ Access / Medical Necessity Training (MH)
- ✓ Assessment Training (MH)
- ✓ Service Codes Training (MH)
- ✓ Progress Notes Training (MH and SUD)
- ✓ Care Planning / Problem List Training (MH and SUD)
- ✓ Z-Code Training (MH and SUD)
- ✓ Transition of Care (coming In 2025)

For those trainings that are marked as MH only, SUD versions are currently being developed.

The **BHRS CalAIM Trainings** developed by BHRS QM focus on providing staff with information regarding State and Federal requirements for clinical documentation and billing. However, we understand that staff may have questions beyond what is explained in the CalAIM trainings.

Additional trainings that exist outside of the CalAIM training series are available to further expand staff's understanding of concepts mentioned In the Core CalAIM Trainings. This 2-Pager provides resources available to staff to further support staff's understanding of these topics.

## Clinical Assessment

Unless otherwise noted, the following trainings will be provided LIVE via webinar or in-person. Look out for an email from BHRS WET, BHRS QM, or BHRS Communications
